JEROM ISSAC T S

has successfully completed the online, non-credit Specialization

Meta React Native

You will earn a Coursera certificate on completion of the Meta React Native Specialization. To achieve this, you will need to successfully pass all graded assessments throughout each course, as well as the Capstone project in which you will build a mobile app using React.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
